EDUCATION:

- Bachelor's degree in Electrical and Electronics engineering | Northeast Frontier Technical University (Sep 2020)
- Diploma in Electrical and Electronics engineering | Sri Chaitanya Engineering College, Visakhapatnam. (Nov 2017)

PROFESSIONAL EXPERIENCE:

- **Front-End Developer | Evega Technologies LLP** (Feb 2024 – Jul 2024)
 - Designed and developed complete websites from scratch, significantly enhancing client satisfaction and engagement.
 - Played a pivotal role in revamping high-traffic sites like Way2mail, improving their design, functionality, and performance.
 - Utilized Figma to create detailed web designs and prototypes, streamlining the design approval process.
 - Collaborated with developers and stakeholders to align designs with user needs and business goals.
 - Applied data-driven UX strategies using heatmaps, A/B testing, and user analytics to optimize experiences.
 - Continuously updated skills with the latest UX trends, tools, and methodologies.
- **Front-End Developer | Rinixweb** (Apr 2023 – Oct 2023)
 - Led the development of multiple client projects, delivering high-quality, responsive websites within tight deadlines.
 - Coordinated closely with backend teams and other departments to align technical implementation with business goals.
 - Enhanced existing websites by improving their UI/UX, resulting in a better user experience and increased client satisfaction.
 - Developed reusable code and libraries for future use, promoting efficiency and consistency across projects.
 - Conducted user testing and gathered feedback to iteratively improve website designs.
 - Enthusiastic about exploring innovative web technologies and frameworks to enhance development processes.
- **YouTube Content Creator** (Nov 2016 - Feb 2022)
 - Managed a YouTube channel with over 68k subscribers and used to get approximately 1 million monthly views.
 - Channel Name: TejaRebel | Channel Link: <https://www.youtube.com/@TejaRebel>
 - Utilized video editing and content optimization techniques to maximize audience engagement and growth.
 - Developed and executed content strategies, resulting in sustained channel growth and viewer retention.
